Saham Marble & Granite Tr. Co. LLC

Who we are

SAHAM Marble & Granite Tr. Co. LLC is a UAE-based company dedicated to the import and export of Granite and Marble stones. SAHAM is established to serve increasing demand for Granite and Marble stones in GCC countries. SAHAM provides its customers a great choice of colour and patterns from around the world.

SAHAM facility spreads over an area of 32,000 Sq Ft, strategically located in the heart of Sharjah Industrial Area near National Paints Company. This facility is alongside the Sheikh Mohammed bin Zayed Road. This is a major road in United Arab Emirates connecting all the Emirates.

SAHAM is an Associate of India based companies POMAL INDUSTRIES and NANDI OVERSEAS. These are leading companies in natural stones industry. These companies have a success story of 12 years in the production and supply of the best quality Granite. They own production units in Rajasthan, a capacity to process 12,000 Sq Mtrs of material in a month. With this association, SAHAM is poised to deliver its customers the timely supplies of any required quantity.

SAHAM philosophy is to make the customer and not to sell to customer. SAHAM stays focussed on building a business that provides customer with best experience possible making customers 'feel special'.

GRANITE

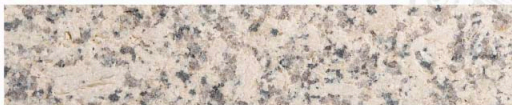

GRANITE

Granite Began its life as liquid magma within the Earth's core. A hard, crystalline, igneous rock formation formed from extreme heat, comprised of various minerals such as feldspar and quartz. Granites are ideal for counter tops. Resists scratches, heat, and acidic substances. Can be used for indoor and outdoor flooring, even in climates that experience freezing. Excellent for bathroom vanities.
